Paso, Los Angeles and San Francisco.

Life Insurance company, C. A. Midd-Life Insurance company, C. A. Midd-augh, agent, and Frank Ingersoll, attorney for Mrs. E. Edbrooke, assignees of the property, G. W. Currier, John G. Taylor, C. B. Kroutze and a number other gentlemen prominent in finan cial and real estate circles.

After reading the notice of sale Sher-iff Webb read a portion of the decree di-recting that the two properties be sold separately and then both offered together, and in event that the offer for the entire property should exceed the sum offered on the separate bids, it

should be sold as one property.

In accordance with this portion of the lecree the Tabor building (corner Sixput up without any response. The opera house was then put up with the separated, the attorneys for the pur-chasers going to the sheriff's office to secure the certificate of purchase. MRS. SMITH'S MORTGAGE.

It is generally understood that Mrs. Smith will make and earnest effort to Smith will make and earnest effort to raise the mony to pay off the first mortgage, and it was also reported that Mr.
Tabor would also make a further effort to retain his ownership if he can raise the money necessary. Mrs. Smith's claim with interest aggregates nearly \$190,000. Under a decision of the supreme court she will be permitted to standing armies, and that the use of sell the property under her second trust. sell the property under her second trust firearms by persons of irresponsible age deed. This will be done in a few daps— is dangerous. Mr. Love declared that if as soon as the proper steps can be taken the drills were instroduced some parin the district court. Mrs. Smith's erits would not allow their children to
trust is wouthout redemption, and as
she will undoubtedly bid in her equity
she will take possession of the property
Charles Rhoads of the Orthodox Meetand shut out all creditors except the ing. Fourth and Arch streets, outlined the views of Friends on the subject. He purchase of her own equity will give her the advantage of the nine months of resemble sentiments of kindness and Christian demption under the terms of the first love, besides inviting war.

Others presented much the same aring off the claim of the insurance company she will have exclusive title. This teenth and Race streets Meeting, asked will probably be the result as while she the committee to bear in mind that Willwill only have the purchase price of yesterday's sale to pay while Mr. Tabor
would have to pay off the indebtedness,
amounting to nearly \$900,000. He has
nine months in which to do this. While

pay off the first claim in the time al-Among all present there was the deepest sympathy for Mr. Tabor, as no citiest sympathy for Mr. Tabor, as no citibe no small item.

the drills might be started without the ROCK ISLAND is foremost in substituting any advantage calculated to improve speed and give that tuxury. THE RISE OF H. A. W. TABOR.

ville, he exhibited a spirit of public en-terprise on the most liberal scale. Naturally his first efforts in this direction | Cripple Creek Mining District is Still Doing found expression in Leadville, where he erected the Taber opera house at the expense of about \$50,000, in 1879. The sucpense of about \$50,000, in 1879. The success of this undertaking with the rapid increase in his wealth encouraged him to attempt something on a grander scale. Denver was then without a public building of any importance. A few three-story structures had been srected, but none were at all imposing in appearance or in any way suited to modern requirements. There was not a single passent. or in any way suited to modern requirements. There was not a single passenger elevator in the city. Mr. Tabor was keen enough to perceive the possibilities of the city, and in 1879 purchased the old Broadwell property on the corner of Sixteen th and Larimer streets and in place of the broken down frame building these spon areas the handsome Tables. ing there soon arose the handsome Tabor block. The site was then the center of the business partien of the city, and before the building was under roof every store and office was rented at remunerative prices, and praise of the enterprise and public spirit of Mr. Tabor come into a wide vein of \$150 are at a significant to the business partien of the city, and today made a shipment of twenty-five tons of the ore taken out during the present month. Welcott and Hastings of the Orphan Belle No. 1 have come into a wide vein of \$150 are at a significant to the broken down frame building the properties. Kelley and O'Brien have a good body of \$150 are at a significant to the business parties of the city, and today made a shipment of twenty-five tons of the ore taken out the properties. Kelley and O'Brien have a good body of \$150 are at a significant to the business parties of the city, and today made a shipment of twenty-five tons of the ore taken out the properties. Kelley and O'Brien have a good body of \$150 are at a significant to the business parties of the city. enterprise and public spirit of Mr. Tabor was on every tongue.

THE OPERA HOUSE ERECTED. At that time there was not a single Knute & Wright have made a ship-comfortable place of amusement in the ment of eleven tons from their new where Skinner. Bros. & Wright's big of Aliman. They have fully as much store now is, and the Governor's Guard more ready to send out. The shaft has been recently converted into a theater by Nicholas Forrester, the local drawmaths manager.

tis streets Walhaila had been recently feet on the vein, the machinery has ar erected, and was used mainly for public rived and Manager Jones expects if to meetings and partisan gatherings though subsequently fitted up with a stage, combining the features of a theater and a beer garden. Denver had then about \$5,000 people, and the demand for an operathouse had been felt for sume time. Some despite with a from a depth of seventy-five feet.

AN OVATION TO MR. TABOR. The admirers of Tabor's enterpsire on occasion presented him with a splendid specimen of the jeweler's art in the shape of a massive gold fob chain with a miner's basket pendent, and representations of his log store in California guich, the Tabor building and the Tabor Opera house, with ladders on each side to represent his climb from

garded as one of the finest in the United States and was favorably compared in point of beauty with the Grand opera at Paris and other celebrated Thespain temples. It was packed, and when Mr. Tabor appeared to express his acknow-ledgements for the splendid attendance he was greeted with a roar of applause that caused the great chandelier to rattle. For several years it was the only place of amusement in Denver worthy of the name and returned a

tion now drawing to a close, the public is well acquainted, and there are few familiar with the circumstances who do not sincerely regret the disaster that has befallen the man who is beyond question the ploneer in the building of modern

THEY OPPOSE MILITARY DRILLS Forty Representative of Peaceable Bodies Want No Guns in School,

Philadelphia, Pa , June 25.-Some time go, when the committee on the Central High school informally discussed the paily, question of introducing military drills urbs, In the schools, it was stated that strong objection to the plan existed among certain classes of the people. Though strongly favoring the drill, the committeenth and Larimer streets, was first put up without any response. The give the opposition a hearing. There was a big surprise yesterday afternoon, the control of the cont same result and then the entire property
was offered. Mr. Denison, in behalf of
the Northwestern Insurance company,
hid the appointed time, when at least forty
representatives of peace societies, philanthropic committees, Friends' meethid the appointed time, when at least forty
representatives of peace societies, philanthropic committees, Friends' meetthe Northwestern Insurance company, ings and other organizations bid the amount of the judgment, \$488. Ings and other organizations into the council room to denounce a into the council room to denounce a into the council room to denounce a system, which they held to be inconsistent with Christian principles. The property was knocked down to the in-surance company. The crowd slowly surance company. The crowd slowly tha attorneys for the pur-committee, somewhat taken aback by quest that all speeches be as short and conclee as possible in order to get through.

On behalf of the Universus Peace

Among the others who spoke were

there is no recomption after foreclosure samuel Emlin, Daniel L. Gibbons, Esq., under Mrs. Smith's loan, she would no doubt be willing to relinquish her equity in consideration for the amount of her Bull, Dr. Joseph I. Smith, Joseph S. claim, providing Mr. Tabor were able to Elkins and Thomas Walters. The latter, who was formerly a member of the board of education thought that while the drills might be started without cost

velop until the incidental expense would have enabled Mr. Tabor to step out of the whole matter with \$100,000 in cash."

When H. A. W. Tabor first came into his great wealth through the discovery like a great wealth through the discovery his great wealth through the discovery his great wealth through the discovery like a great wealth through the discovery his great wealth through the discovery like fact that he was the first to set the committee to provide a grown as the popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent distingers and chair coaches, all the most element of this suit we have building, and withdrew his objections.

The committee will have a grown as the section through military drills. He was informed that there would be a grown as the committee to provide a grown as the country as the popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, safety and comfort that popular patronage demands. I his great wealth through the discovery president of the High school, who has of the Little Pittsburg mine in Lead-written a letter in its behalf.

AND STILL THEY OPEN

Cripple Creek, Col., June 25.—What is apparently another good mine has been

depth of 225 feet and will made a ship ment of ten tone in a few days.
